Benediction for March 1st

"Names"
written by: Mike Yager

Almighty One.
Loving Creator.

Abba.
Elohim.
El Shaddai.
Adonai.
YAHWEH.

The great I AM.

Theos.
Kyrios.
Father, Son, & Spirit.
The God of the Fifth Cast.

Our names for One beyond naming.
He who has authored us into being.
Written our lives in the script of perfect love.
Called us His own.
Named us.

Names we may have yet to discover.
Names which tell us from where we've come.
Names which tell us where we're going.

Names that carry tragedy and sorrow,
the weight of purpose,
and the hope of restoration.

May we hear you, our God, calling out to us by name
